

RED STORM
FIRE & RESCUE APPARATUS, INC.

Congratulations to
**Stuarts Draft
Volunteer Fire Co.**
on their new CustomFIRE
4x4 rescue pumper!

IT'S ABOUT BIG PERFORMANCE AND LITTLE CAPITAL.

When you need a truck that can do double duty, like a rescue pumper, pumper/wildland combination or pumper-tanker, there's no substitute for a high-performance, CustomFIRE® apparatus. With exceptional compartment space and packaging, commercial and custom chassis, virtually unlimited pump, plumbing and foam system configurations, and aluminum or stainless steel bodies, you don't need to settle for anything less than exceptional capability and value. If you're ready to maximize your firepower and get the most out of your capital budget, it's time to talk with your RedStorm sales rep.

Let's talk fire trucks: **877.644.7598 • redstormfire.com**
